

Précis of the sermon by Rev. Dale Rose September 1, 2019 at Lake Joseph community Church titled “the only thing needed”

The sermon was based on Psalm 119, the longest chapter in the Bible. At the heart of the Psalm are some key verses (v 97 – 112) that summarize the ways that God’s Word benefits us. By reading Scripture daily as part our daily meditation, scripture imparts wisdom and understanding, reminds us that God’s Word illuminates the way forward for us, keeps us on a straight path and reminds us that His Word is our heritage now and always. The sermon concluded with the words of Paul to Timothy that “all Scripture is inspired by God and is useful for teaching, for reproof, for correction and for training in righteousness, so that everyone who belongs to God may be proficient and equipped for every good work”.
