

## Precis Sermon Mary and Martha

The story of Mary and Martha from Luke 10:38-42 is instructive for our lives today. We can busy ourselves in activities like Martha but it will very likely be at the expense of those activities that bring us closer to God. The things Martha was doing to make her home ready for Jesus were all important things that needed to be done but Mary took advantage of the special opportunity of being with Jesus to be filled with His wisdom. Like Mary, we need to spend time with God through reading His word, prayer and listening for His voice. Jesus said that Mary chose “the better way and it will not be taken from her”. His words to Mary are a clear message to us today.
