

In his sermon, Rev. Vais uses Ephesians Chapter 4 to describe what the church must be and do to be meaningful in today's world. Each of us is part of the body of the church and each of us has at least one special gift to offer that can be used. The text in Ephesians mentions 5 gifts: APOSTLE (the gift of being able to share their experience with others), PROPHECY (the gift of saying something timely of importance), EVANGELIST (the ability to share good news), PASTOR (the gift of taking care of people) and TEACHING (the ability to explain things so that others can understand). All of these gifts are to prepare God's people to do the work of Christian service and when used, make the church relevant to the world.
